MISSIONARY OF THE WEEK

Kim Riley

Kim serves as an international missions director with Cru. Cru's global mission is the gospel for every student, a movement for every campus, and a leader for every nation. Kim furthers this mission by mobilizing students and volunteers by giving them a vision for the world and helping them find their role in building student-led movements. In collaboration with global partners, she also helps ensure healthy living and ministry effectiveness for Cru staff and intern teams.

Missionary Prayer Request:

Pray for wisdom as Kim leads efforts to mobilize workers in the least-reached nations across the Middle East and South/Southeast Asia.
